Center Qualification and Handoff Checklist

ENG-FORM-07 – Template v0.1-draft

Purpose of This Document

INTERNAL DOCUMENT – DO NOT SEND TO THE REQUESTER. This checklist is for center leadership and engineering staff only. Its purpose is to record an honest internal assessment of whether the center has the right expertise and capacity for a request, how confident the team is in its estimate, what is still missing, and what the funding/charge-code route will be, before deciding to proceed, clarify further, or decline. Keep this document, and anything written on it, separate from the requester-facing document package for this request.
